PROFESSIONAL EXPERIENCE

Social Media Manager (Self-Employed) | *Own Online Business, Philippines* 2026 – Present

- Manage social media accounts and content calendar for a personal online business, including content planning, posting, scheduling, and basic engagement tracking.
- Oversee day-to-day business operations remotely on a part-time basis (2–3 hours daily), applying prior operations and process-improvement experience.
- Maintain organized records, track performance, and adjust content strategy based on engagement results — skills directly transferable to virtual assistant work such as content management, scheduling, and reporting.

Operations Manager | *Teleperformance* Nov 2025 – Apr 2026

- Directed end-to-end business operations, overseeing service delivery, operational governance, workforce performance, and leadership execution across multiple teams.
- Served as key client-facing operations leader, managing executive stakeholder relationships and aligning delivery with client business objectives.
- Led Weekly, Monthly, and Quarterly Business Reviews (WBR/MBR/QBR), presenting performance insights, strategic roadmaps, and risk mitigation plans.
- Managed escalations and service recovery initiatives while strengthening long-term client partnerships.
- Partnered cross-functionally with Workforce, Quality, Training, HR, and Executive Leadership to deliver scalable business solutions.

Supervisor of Operations | *Teleperformance, Penang Island* Aug 2020 – Nov 2025

- Led frontline operations, coached leaders and agents, and drove KPI achievement through process improvement and performance governance.

- Reviewed operations reports to identify trends and reduced process bottlenecks through training and coaching.
- Collaborated cross-functionally to refine procedures, establish best practices, and enforce quality metrics.
- Implemented process improvements that strengthened communication, culture, and overall team efficiency.
- Supported onboarding of new market hires (e.g., Vietnamese, Cambodian) and cross-functional business initiatives, including Green Start leadership exposure.
- Recognized as Employee of the Year – Team Leader (2021).

Content Moderator | *Teleperformance (Brand Safety)* Mar 2020 – Aug 2020

- Reviewed user-generated content submitted to an online platform to ensure compliance with platform policy and guidelines.
- Served as point of contact (POC) for the team; gathered and integrated data across departments.
- Used analytics and site metrics to identify areas for improvement.

Coach – Customer Service & Billing | *Site1* Dec 2018 – Dec 2019

- Led a team of 17–20 agents servicing USA Today Network subscribers across the United States.
- Handled escalation and supervisor calls, coached agents on skill gaps, and prepared them for next-level support roles.
- Served as weekend operations POC and submitted regular performance reports with improvement recommendations.

Team Leader – Technical Support | *Asia Pacific* May 2016 – Dec 2018

- Managed daily call center operations, set performance targets, and organized shift schedules to ensure full coverage.
- Monitored calls for quality and procedural compliance; facilitated training sessions and supported agent recruitment.
- Ensured client satisfaction through prompt resolution of escalations and consistent adherence to industry standards.

Earlier Career | *Acquire Asia, Extra Electronics Co., Verizon, Sanyo Semiconductor* 2008 – 2016

- Technical Support Representative, Product IT Specialist, Computer & Network Technician, and CNC Machine Programmer roles spanning customer support, hardware/software troubleshooting, network setup, and manufacturing operations.
